

**Exciting World Of Microwave Cooking From
Litton**

Percy Spencer invented the first microwave oven after World War II from radar technology developed during the war. The incident occurred at the MIT Research Laboratory of Electronics in 1945. Litton was particularly well known in the restaurant industry at the time. http://en.wikipedia.org/wiki/Microwave_oven

The preeminent independent distributor in the television industry, Litton has been producing and distributing quality programming for over twenty years.
